

Bonneville High School  
School Community Council Meeting  
February 11, 2015  
Bonneville Media Center

Welcome: Kimberly Clarke, Vice-Chair  
Raquel Johnson excused

Review of Minutes:  
Postponed until March due to Raquel's absence.

NEWSELA presentation: Andrea Woodring

The school is currently using a free version of the program. It provides articles on a wide range of subjects to students. Students are able to read the same information written on their personal reading level. Students are then given a prompt to write from and possibly quizzes to take on the material they read. Teachers are seeing progress with the free version. Funds for the purchase of the full version for use by the entire faculty are included in the Land Trust Plan. Cost is \$4.76 per student, approximately \$6000 for the whole school.

Motion: New Community Council members for the 2015-2016 school year will be elected in the Fall with notice of openings being included with registration paperwork.

Motion: Jill Koford  
2<sup>nd</sup>: Ray Long  
Passed

Motion: It is proposed to use surplus Land Trust funds from last year to send six teachers and one administrator to the Solutions Tree PLC training conference in Las Vegas in June and Salt Lake City in November.

Motion: Jill Koford  
2<sup>nd</sup>: Debbie Stevens  
Passed

Ray Long presented the Land Trust plan for next year. Dollar amounts will be finalized and the plan will be voted on at the next meeting.

Upcoming events on the school calendar were presented.

Next meeting: March 11, 2015 at 2:45 in the Bonneville Media Center.
