

**Bonneville High School**

**Community Council Meeting**

**March 4, 2015**

**Bonneville Media Center**

**Welcome: Raquel Johnson – Chair**

**Review of Minutes: Janet Turner Motion: Tracee Kemp**

**2<sup>nd</sup>: Kim Clarke**

**Passed**

**Next Year Plan Presentation: Ray Long**

**There will be 4 goals for next year:**

- 1. Literacy: Want to improve literacy by 2% in Math, Language Arts and Science.**

**It will be assessed by the ACT and Sage testing. Math Sage test scores went up by 12% but Science was down a little. Would like to create a math lab and make sure that students are placed in the right math class. Tom brought up the fact that the wrong placement starts at the Jr. High level. Melanie said that she could bring it up with the Jr. Highs and see if they could get them to get on board with it. Want to pay for buyouts with math and science teachers. Send a few of them to core academy and the Solution Tree trainings. Look at the Americorp Aide again and lab classes for students.**

- 2. College ready and improve graduation rates.**

**Counselors and Administration will be tracking students more carefully. Early identification of the students at risk. RIGR time for these students and contact parents. Promote remediation. There is no cost in this area.**

- 3. Support Professional Development**

**Look at Technology and teachers professional goals. Solution Trees training.**

- 4. Technology:**

**Look at more wireless access ports. Need to earmark \$19,000.00 for the 3 labs every year.**

**Total budget for next year is \$91,216.00.**

**Motion: It is proposed that we accept the Trustlands Plan and budget for next year.**

**Melanie Milne**

**2<sup>nd</sup>: Debbie Stevens**

All present voted and it was unanimous.

Ray talked about the Huntsman Award for Preston Warren. Asked for any input that we had to give to him.

Upcoming events on the school calendar were presented.

Next Meeting: April 8, 2015 at 2:45 in the Media Center
