Weber School District and Bonneville High School will not discriminate or deny services on the basis of race, color, national origin, sex, or disability.

GENERAL REGISTRATION INFORMATION

1. Proper registration is important. It is the responsibility of the student and parent/guardian to check graduation requirements & course descriptions carefully. Counselors are available for consultation.
2. Each student must register for a full eight period schedule for both semesters. Further, students are required to select two alternate classes. After registration, changes must be approved by the parents and the counselor. **A \$10.00 fee will be assessed to change class schedules.**
3. Some classes listed in this course guide may not be offered if minimum enrollment requirements are not met.
4. Students who desire to take religious instruction (release time/bible study) may do so on a non-credit basis.
5. Students desiring early graduation should declare their intent to their counselor immediately to provide adequate planning time.
6. Weber School District and its individual schools will not be responsible for transporting or arranging for the transport of students who elect to take classes at schools other than their own school where they are registered. The parent/guardian of such students will be solely responsible for the transport of their students to and from each school.

WEBER SCHOOL DISTRICT POLICIES

FEE SCHEDULE

In accordance with Utah State Law, the Weber School District Board of Education annually reviews all fees charged to students for various activities, classes, yearbooks, etc. This information will be published and made available to parents prior to the time of registration in the fall. Information on fees included in this book is a tentative listing and may change. To view the current costs for classes, please go to the Weber School District Website: www.wsd.net and click on "Information" in the main menu and look for "Registration Costs".

FEE WAIVERS

No student will be denied the opportunity to participate in school activities and educational programs because of the inability to pay fees, deposits, or other charges. Students and/or parents who need assistance should contact the administrator over fee waivers for assistance.

CIVIL RIGHTS CERTIFICATE

Titles VI & VII of the Civil Rights Act prohibit discrimination in federally funded programs on the basis of race, color, religion, or national origin. All vocational opportunities are offered without regard to race, color, national origin, sex, or disability. The Individuals with Disabilities Education Act requires the district to find and serve qualified students with disabilities residing in the district. More information on each law is also posted at the District Office.

Title IX

Weber School District complies with the Title IX regulations: "No person in the United States shall on the basis of sex, be excluded from, participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance. Problems should be referred to the school administration."

CONCURRENT ENROLLMENT AND EARLY COLLEGE

EARLY COLLEGE – Application process – must meet with a counselor. Application and agreement forms must be signed by student and parents.

CONCURRENT ENROLLMENT

- If you are a Junior or Senior, possess a desire to seek **challenging, rigorous educational opportunities** for both high school and college credit, then you may be interested in registering for concurrent enrollment credit.
- It is expected that students will have the necessary background and meet the academic requirements to demonstrate success in concurrent enrollment courses. It is required that concurrent enrollment students have at least a **3.0 cumulative GPA. Appropriate exceptions will be handled on a case by case basis.**
- Some institutions may require **minimum ACT or Accuplacer scores** in addition to the minimum 3.0 GPA before enrollment at the university or for specific courses.
- Universities require **90% attendance** or better in all concurrent enrollment courses.
- Students will be responsible to **purchase** any required books, outline, and/or supplies as required by the university.
- All post-secondary institutions charge a **one-time application fee**. Payment of this fee is the responsibility of the student.
- Dropping a concurrent enrollment course is not advisable. If you choose to drop the course after the university deadline, a "W" will be given on your permanent college transcript and may affect your future college endeavors.
- The **grade** you earn in any concurrent enrollment course will become part of your **permanent high school transcript as well as your college transcript.**
- **College credit** for concurrent enrollment is not guaranteed from year to year. It is determined by the university as to which courses and instructors qualify to offer the credit.

Please check with the CTE Coordinator or your counselor if you have any questions regarding concurrent enrollment courses and the status of the class. It is important to remember that concurrent enrollment should be in line with your CCR, college, and career goals.

Please note the possibility that some CE classes offered at the time of printing the course guide may not end up being eligible for CE Credit at a later date. A class may be eligible for Concurrent Enrollment pending curriculum and instructor approval by post-secondary institutions and the course being included on the USOE Concurrent Enrollment Master List. This approval is granted on a year-to-year basis.

REGISTERING FOR A CONCURRENT ENROLLMENT CLASS AT BONNEVILLE HIGH DOES NOT AUTOMATICALLY MAKE YOU A WSU STUDENT, NOR REGISTER YOU IN THE WSU CLASS.

You will receive information with your final report card regarding the upcoming school year, again in the mail, and when you pick up your high school schedules in August.

After registering for a Concurrent Enrollment Course through BHS, you will apply for admission into WSU, at the following Concurrent Enrollment Website Step I: <https://continue.weber.edu/concurrentenrollment>

There is a one time application fee of \$30.

Once you receive your acceptance email/letter into WSU, you will need to register through WSU's Concurrent Enrollment Website, there is a \$5.00 charge per credit hour: <https://continue.weber.edu/concurrentenrollment> All your information will be in your High School registration packet in August.

BE SURE TO COMPLETE THE WSU ENROLLMENT AND REGISTRATION BEFORE THE WSU DEADLINE OR YOU WILL NOT GET COLLEGE CREDIT.

MATHEMATICS

GRADUATION REQUIREMENTS: 3.0 CREDITS (MA1, MA2, MA3)

IT IS RECOMMENDED THAT COLLEGE BOUND STUDENTS TAKE MATH EVERY YEAR IN HIGH SCHOOL. COURSES ARE LISTED IN RECOMMENDED SEQUENCE.

SECONDARY MATH I (62125F)

This will be specifically for those who have struggled with Secondary Math I when it was taken in 9th grade. Candidates for this class will be referred by the Junior High Schools. Reasons for failing in 9th grade will be reviewed and appropriate placement will be determined for 10th grade.

Course will focus on formalizing and extending the mathematics that students learned in the middle grades. The critical areas deepen and extend understanding of linear relationships, by contrasting them with exponential phenomena, and by applying linear models to data that exhibit a linear trend. Students will use properties and theorems involving congruent figures to deepen and extend understanding of geometric knowledge. The final unit in the course ties together the algebraic and geometric ideas studied.

THIS CLASS MAY BE TAUGHT DURING THE FLEX PERIOD.

NO FEE

10TH

1.0 MA1 CREDIT (YEAR)

TEACHER AND PARENT SIGNATURE/APPROVAL REQUIRED FOR OFF-TRACK PLACEMENT

SECONDARY MATH II (62130)

Students in Secondary Mathematics II will focus on quadratic expressions, equations, and functions, extend the set of rational numbers to the set of complex numbers, link probability and data through conditional probability and counting methods, study similarity and right triangle trigonometry, and study circles with their quadratic algebraic representations.

COLLEGE PREP MATH (62315)

College Prep Math formalizes and reinforces concepts from the Secondary Mathematics series to provide students with the foundational skills and understanding prerequisite to College Algebra (1050). Students will reason abstractly and quantitatively while solving linear and quadratic equations and linear inequalities. They will efficiently use polynomial and rational expressions and functions, radicals and complex numbers, and exponential and logarithmic expressions and functions to model and solve mathematical problems. They will explore conic sections and represent parabolic data. Throughout this course, students will make sense of problems and persevere in solving them, using tools strategically, and attend to precision.

FITNESS FOR LIFE (73210)

Designed to be taken as a sophomore to provide a foundation for future PE courses. This course is an individualized, concepts based, one-semester course designed to give students the knowledge and skills necessary to self-asses, create, conduct, evaluate, and redesign personal fitness programs. The course is a combination of classroom and activity based learning activities with a focus on proper nutrition and the mastery of skills and concepts necessary for students to become accomplished monitors of the personal lifetime fitness. Through participation, students will learn to compare the fitness benefits in a variety of individual and team activities. Students will become proficient in the use of a variety of assessments, measurement devices, exercise equipment, web and community resources and computer software, assigned reading and writing assignments which include activity journals and portfolios. This course will broaden the physical education experience and contribute to the literacy of the student. *This course is required for graduation, no substitutions, including participation in athletics.* **May NOT repeat.
