

Community Council Notes

October 8, 2014

Welcome – Ray Long:

See signature page for all present. Peebles will be joining us as a teacher on the committee.

Elections President & Vice President:

Vote on President: Official motion from Melanie Milne for Raquelle Johnson as President. Second from Andrea Woodring. All agreed.

Vote on Vice President: Andrea Woodring made an official motion for Kimberly Clarke as Vice Pres. Second by Raquelle Johnson. All agreed.

SAGE Testing:

Data will be coming out. We cannot compare Sage to anything because last year was baseline. Ray will send e-mail to all members of Community Council on the data so we can explain to others.

Review current school plan:

Budget items to accomplish – See budget expenditures

In the future we will need 10 more access points but they can wait for now.

Should receive around \$86,000.00 this year from Trustlands.

USTARR Grant - only math and science. Around \$16,000.00 this year.

October 1<sup>st</sup> count determines teachers for next year. Trustlands and USTARR help to cover teachers that may be lost due to numbers. Losing students to Charters and Military schools.

Math and English buyout to help students, APEX credit recovery also.

Send e-mail out for actual money this year when we receive it.

Look at salaries first from Trustlands, not technology.

Planning and Calendar Meeting:

Next meeting dates and times. 2:45 works best for everyone. SOJH is 1<sup>st</sup> Monday of month. Wednesday 12<sup>th</sup>, 2014 will be our next meeting @ 2:45

### Report on building projects and school news:

- Bleachers in the gym: Restrictions will be placed on bleachers, January Region Drill Meet
- Teacher Staffing Issues: 7 Teachers hired this year. All of them doing a great job. Replacement teachers for retirements or other jobs. Next year Bio-Ag and Animal Science full time hopefully. Ray introduced new teachers.
- Fall Sports: Girls Soccer in playoffs, Football – may or may not go to playoffs. Golf 3<sup>rd</sup> in State. Girls Tennis in Region today
- School Play: Tarzan Opens November 14<sup>th</sup>, 2014. Everyone invited.
- ACT testing coming in March 2015. 1<sup>st</sup> week of March with only Juniors here. Other students will not be here.

### RIGR:

RIGR is going well. Keeping kids in the classroom is helping with students leaving. 1<sup>st</sup> and 3<sup>rd</sup> Thursday and Friday of every month. Kids stay and extra ½ hour in their classes to work on classwork. D,F,I report is checked every week by Admin. What do you like about RIGR? Athletes like it because they can get caught up. Students are wanting more RIGR time, we may look at implementing every week. Teachers have connections with the students. On Friday they can go to any teacher from 8:10-8:40am. Ray invited Community Council to come in and visit during RIGR time. Superintendent came over to view last week. Kids have been talking to parents and say they enjoy RIGR. Teachers have been pretty supportive. Coaches giving time for after school visits with teachers and activities which students are enjoying.

### Andrea Woodring STEM:

Augmented learning in 3D. November 12<sup>th</sup> training. Apps turn things into 3D so kids can view. Triggers on apps let everything be seen in 3D.

### Attendance Incentive:

Going well. Different companies supporting us with gift-cards and prizes. Did a drawing last week. Improvements from students are put in the drawing also. Students cannot be tardy or absent without school excused.

### Counselors Information:

Comprehensive Guidance Information Review. Next year will be our review. Needs assessment from State encouraged to use, 25 questions, random.

Utah Futures working on student portfolio's in classes. Online access permission from parents needed.

PTSA - thank you for Post High School Tour. 14 schools here to present to seniors.

Wednesday 15<sup>th</sup>, PSAT Test will be administered. We encourage students to test whenever possible. Junior classes have been visited and told about PSAT. Sophomores can take the test too. National qualifying test for National Merit. 7 students signed up so far. 94 students tested last year. Charge is \$15.00/per student.

**Questions and Concerns:**

Key Club (Jill Koford) is doing a tree for Hope and Peace at Christmas Tree Jubilee. Fundraiser will be held by Key Club to raise money for the tree. Dodge ball for fundraiser, please support.

Weber High School raised \$10,000.00 for Sub for Santa with the Foundation. Student Govt. does our Shop with a Hero. \$11,000.00 donated today from Bonneville High – Foundation would love to help with our donations and help give back.

(Tom Marcheschi) Donations made by the Sub for Santa with Student Govt. We would like to give to all of the kids in the school (like the junior highs) and give back to our families. (Wendy Long) We help students throughout the district with Shop with a Hero.

Next Community Council meeting will be held on November 12<sup>th</sup> at 2:45 in the media center.
