<b>C</b>	889	9.6%
<b>D</b>	661	7.2%

	<b>Actual</b>	<b>Projected</b>
Special Ed	3	3

Excluded	24	39
Graduate	384	389
<b>Grad Rate</b>	<b>89.72%</b>	<b>94.42%</b>

Special Ed goes to Canyon View and graduate later but they are counted at non-graduates.

We are looking at all who have moved out to find where they have gone for sure and looking at duplicate SSID #'s. Trying to track down everyone we can. Worst case we will be at 89.7% Actual Graduation rate 94% if state agrees. We will know by the middle of December what the actual rate is.

Attendance:

**We take attendance by period to ensure an accurate representation of attendance.**

**There were 293,455 individual student periods during 1st quarter. Students missed 19,437 of those periods. That is an average daily attendance rate of 93.4%.**

Students that are attending are doing well.

The Utah Aspire Plus is a hybrid of America College Test (ACT) Aspire and Utah Core test items. The tests will provide students a predictive score for the ACT. This will be taken by all 9th and 10th grade students.

All 11th graders will take the state sponsored ACT Test on February 20.

There will be no assessment for seniors.

Brock went to China for a week. Very productive and interesting trip. Concern for the Chinese program at the

time is that we don't have a licensed teacher. Looking at a few things to make that happen.

1-1 Chromebook status.

Some schools in the district already have the 1-1 chromebooks for students. Right now in the jr. highs and elementaries. We are looking at a year from January to be on board with that.
