

SCIENCE LETTER

Any student wishing to earn a Science Letter must do the following:

1. Have earned a Blue B. (Grade point of 3.8 for 6 terms)
2. Have met all attendance/graduation requirements.
3. Be recommended by the Science department, meeting all department requirements.

Department Requirements

1. Have at least a 3.0 average in science classes taken 9 – 12.
2. Be currently registered in an AP class or have had at least one AP Science class or other college level science class, ie., concurrent enrollment or early college.
3. Must have or are presently participating in at least one of the following:
 - a. Science Fair, state level, and placed.
 - b. Science Olympiad, state level, and placed.
 - c. MESA Competitions, district or state level, and placed
 - d. Utah Envirothon, state level, and placed

Having met the above requirements, I am applying for a Science Letter.
