

# Community Council Meeting Minutes

March 9<sup>th</sup> 2022

Welcome:

Melanie Milne

This meeting was designated to voting on Grants that teachers had applied for, as well as reviewing the next year's Trustland budgets.

Members reviewed the grant requests, and voted. We had six teachers apply, and 4 of them were approved.

Mr. Mitchell explained to the members how the budget works. He stated that salaries and Chromebooks are a few things that the Trustland money is spent on.

Mrs. Peterson (counseling) reported on the course requests. She also expressed that the Laker Experience and the Class fair went very well this year considering that it was a first for our school. There was talk about perhaps having an ACT Prep class in the future.

Mr. Mitchell reviewed the Trustland plan, and updated the members of how the money was spent this year and the new proposed plan and how we plan to use the money next year. Members voted and approved the plan as presented.

Next meeting will be held on May 11, 2022

Motion to close, and meeting was adjourned
