

## **Community Council Meeting Minutes 9/18/19**

Welcome: Mr. Mitchell

Need new chairperson for council. Raquel Johnson nominated Melanie Milne, Erica Endo second the nomination and the vote was unanimous. Ralph Andersen nominated Raquelle Johnson to be the vice chair and was seconded by Loni Staten and the voting was unanimous.

There were new members so introductions were done by everyone. Went over the checklist for Council Officers duties, parent members and school employee members.

Watched training video on community counsels.

Talked about lockdown drill being in the near future at a time when it would not be announced so it was more realistic. Everyone thought that was a good idea.

Cindy Fonseca presentation for counseling:

Counseling will no longer be doing senior CCR's. On Parent Teacher Conference night they will have a senior information meeting in the auditorium from 6-7 with information about graduation, college entrance information and everything seniors need to know from the counseling office. If parents want to meet with counselors they can set up appointments with the counselors. The council talked about how to get parents and students to attend. Talked about offering attendance credit for coming and bringing your parents.

Oct 1-10: UCAW College Application Week. The state would like to see every senior apply to college or technology college.

Oct. 1 FAFSA starts, Oct. 10 we will be having a FAFSA completion night. Also every other week there will be a FAFSA Friday during flex time.

Nov. 7th will be UCAC American Graduate night. There will be break out sessions to do with college opportunities, there will also be food trucks and it is a community event for students grades 7-12.

Motion to close meeting by Sheridan Sheffield.
