## Mental Health Screenings

An ongoing service, free to all  
Weber School District  
students ages 6-18

Screenings are designed to identify depression, anxiety, suicidal ideation, and other areas of concern. Clinical diagnosis will not be made, however, "next steps" and resources will be discussed.

Please speak with your School Counselor, Administrator, or Mental Health Therapist to schedule a screening appointment.

**For more information, please  
contact Amber Hellstrand, the school mental  
health therapist at [amhellstrand@wsd.net](mailto:amhellstrand@wsd.net) or
